

NOTICE TO PARENTS

The following "Release of Liability Agreement" was created specifically for the Society of Saint Pius X camps, and its use has been mandated by our legal counsel. Unfortunately, in this day and age, we live in a litigious world, and the Society of Saint Pius X could be sued for any type of accident which could occur at a camp, no matter how unlikely or remote. The following agreement is therefore necessary to protect the Society of Saint Pius X. By signing this agreement, you as parents, should assume the full risk of any accident which could befall your child(ren) at the meetings or camp referenced below. Parents who do not wish to assume this risk should not sign this agreement, and should not send their child(ren) to meetings or camp. Of course, please be assured that the staff will do their best to act prudently and take the necessary precautions to ensure the safety of your children. For information about camp safety rules and procedures, all parents are encouraged to consult the Society of Saint Pius X's revised official camp handbook.
